

SHROPSHIRE DYSLEXIA ASSOCIATION

SPRING WORKSHOP – *Assistive technology to support students; Secondary and Post 16*

Guest Speaker:

Malcolm Litten B.A.
Hons, Dip. Ed.,
M.Phil (Special Ed),
AMBDA.

Malcolm has over 20 years experience of working as an English teacher in a specialist school for dyslexic pupils. He has developed approaches in the use of assistive technology. Member of the BDA New Technologies Committee. Worked and trained teachers and lectured in South Africa, Switzerland, Dubai and India.

The session will provide information and guidance about the introduction and use of assistive technology to support students with literacy issues. Testing for exam access arrangements to ensure the appropriate inclusion of assistive technology in public exams will be addressed. Exploration of settings in Microsoft Word to support learners, including those affected by visual stress, will be included.
